

# CAPITAL INVESTMENT STRATEGY UPDATE

**INLAND WATERWAYS USERS BOARD  
MEETING NO. 91  
NEW ORLEANS, LA**

**Thomas P. Smith, PE, SES  
Chief Operations and Regulatory Division  
HQ U.S. Army Corps of Engineers  
Washington, D.C.  
23 May 2019**

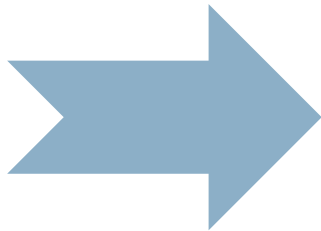

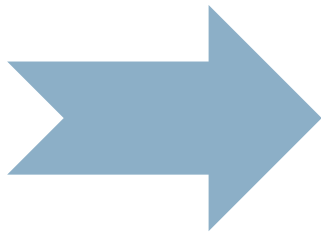

**US Army Corps  
of Engineers®**

# AUTHORITY

- **Title II, Subtitle A, Section 2002, (d) of the Water Resources Reform and Development Act of 2014 (WRRDA 2014)** required, in part, for the Secretary of the Army, “in coordination with the Users Board, to develop and submit to Congress a report describing a 20-year strategy for making capital investments on the inland and intracoastal waterways based on the application of objective, national project selection prioritization criteria”  

- **Inland and Intracoastal Waterways Twenty-Year Capital Investment Strategy Report** drafted in 2015 – published in March 2016.
- **WRRDA 2014 also required:** (4) STRATEGIC REVIEW AND UPDATE – “Not later than 5 years after the date of enactment of this subsection, and not less frequently than once every 5 years thereafter, the Secretary, in coordination with the Users Board shall (A) submit to Congress and make publically available a strategic review of the 20-year program, which shall identify and explain any changes to the project-specific recommendations contained in the previous 20-year program.”  

- **Strategic Review and Update - Inland and Intracoastal Waterways Twenty-Year Capital Investment Strategy Report** – Goal is to draft the report in 2019 and finalize in 2020
